Last minute cancellations represent a financial loss for the camp. Also, campers asked to leave during the camp season for an infraction of the rules are not entitled to a refund.

PHYSICAL EXAMS

All campers must undergo a complete physical exam within the past 24 months. On the years you do not receive a physical you are required to take this form to your doctor and have him fill in the date examined, any medical changes and sign the bottom of the form in the appropriate space. We no longer accept medical forms from previous years! Please use the form provided with this Handbook

****New Health Form Policy****

Any camper who is required to have self administered emergency medication: i.e. asthma inhalers, epinephrine pens (epi pen) must have a signature from both a parent/guardian AND primary health provider. Please see the back of the Health Forms included in this packet.

HEALTH SERVICES

Camp Jordan employs a full-time Health Officer. Staff members are trained in First Aid and CPR. Parents will be notified if their camper is admitted for overnight care to our infirmary or the hospital.

CABIN ASSIGNMENTS

Camper are assigned to cabins by age. Your camper may request to be in the same cabin with a friend if they are the same age. We believe making new friends is an important part of the camp experience. As a result, only two cabin mate requests per camper will be honored. This does not guarantee they will be together. Cabins are assigned by age to allow the whole cabin to participate in certain activities. This allows us to tailor activities to specific age groups.

CABIN COUNSELORS

Our staff members are selected to be positive role models for your camper. They are the keys to a successful summer, and we are committed to providing the best staff possible. We recruit from across the USA and from many foreign countries. College students and professionals are carefully selected for their skills, maturity, and love of children. Many of our counselors are returning members of the Camp Jordan family. All counselors receive extensive training that helps them maintain a safe and healthy environment for our campers.

HOMESICKNESS

Instances of homesickness are not unusual, especially for new campers. Our counselors are trained to be sensitive to children's moods, to discuss these emotions with them, to keep them active and involved in the camp program, and to refer prolonged cases to the Asst. Director, Director and/or Health Officer. Parental visits and phone calls are not recommended. We ask that letters home suggesting some degree of homesickness be answered with short, supportive letters. Please feel free to share your concerns with the Director. We certainly will contact you should the condition persist or worsen.

Closing Day (Saturday)

All campers must be picked up on Saturday between 9:00 - 10:00 a.m. You can meet your camper(s) in their cabins.

MAIL

Letters from home are the most welcome form of communication. Everyone loves mail! Please write cheerful, newsy letters that will reinforce the positive experience your child is having. Be sure to indicate the cabin name on the letter.

TELEPHONE CALLS

A week at camp is a short period of time. It is also a time of adjustment, often for both the parent and the camper. It is our experience that phone calls from home can be very disruptive for the camper and his/her cabin mates. Also, the Camp has only one incoming line and we must keep it available for emergency use. The director or assistant will call you if needed. Thanks for your support!

VISITING

- We do not encourage visitors during the camper's stay, because it detracts from the camp program. We encourage campers to spend the weekends at home and return refreshed for the next week of camping fun.

CANTEEN

Once each day, campers are treated to a soda, juice, or a candy item. **Campers do not need to bring any money to camp.**

CAMP STORE

The camp store will be open during Sunday 's check-in and Saturday's check-out. You can purchase Camp Jordan T-shirts, sweatshirts, and other Camp Jordan memorabilia!

OVERNIGHT CAMP OUT

Spending a night "camping out" can be important part of your camper's experience. Your child **may** spend one night camping out with the members of his/her cabin, on the camp property. They will sleep in tents or lean-tos and cook dinner over an open fire or with a portable stove.

CAMPER-ELECTED ACTIVITIES

Campers are able to choose their activities for the week based on availability and ability. Campers pick from a wide variety of activities. Some activities choices may include;

Archery	Wilderness Survival
Metal Sculpture	Low and High Ropes
Sailing	Canoeing
Snorkeling	Street Hockey
Lacross	Comic Book Making
Ultimate Frisbee	Environmental Education
Kayaking	Camp Newspaper
Web Masters	Beat Goes On (drums)

WATER TUBING

This is a popular class as well as a class with very limited space. Due to the limited space we require campers to meet these criteria:

- Pre-Register
- Be at least 11 years of age
- Upper level swimmer

If all spaces are full when you register you will be put on a waiting list. If a registered camper does not meet all the criteria the first person on the waiting list will be added to the class. Those who sign-up but do not get in the class will be refunded the \$35.00 fee. We request that you only participate in the water skiing class one session per summer so more campers can enjoy the class.

DRUGS - ALCOHOL- TOBACCO -FIREWORKS WEAPONS OF ANY KIND

Camper use and or possession of illegal drugs, alcohol, tobacco, fireworks, and weapons of any kind is strictly prohibited. The use or substantiated suspicion of use or possession are grounds for immediate dismissal from camp without a refund.

GRATUITIES

Parents are asked not to tip staff members. Words of appreciation are gratefully received. Parents wishing to demonstrate their appreciation might consider making a contribution to our scholarship fund for needy families, or speak with the Director concerning other areas of need within the camp.

LAUNDRY

With one-week sessions, we encourage parents to be sure your camper(s) have clean clothes to last a week and to take dirty clothes home to launder on the weekend. The laundry will be used primarily for campers who, because of living longer distances from Camp Jordan, will be at camp during some stay-over weekends and for counselors who stay the entire summer.

WHAT NOT TO BRING AND WHY

Camp Jordan is a place where the character values of honesty, caring, respect, and responsibility are instilled into the lives of campers. As many alumni have expressed, these experiences last a lifetime. At camp, kids need to experience life outside the of their everyday life. Things should be quieter, more reflective, and more introspective; fancy words for an atmosphere that promotes the opportunity for experiences that last a lifetime. Parents! Please help us in creating this environment.

PLEASE DO NOT BRING:

CELL PHONES! GUM!

Skate boards, roller blades, walkie talkies, TV, Radios, i pods, mp3 players, electrical devices of any kind, or any valuables. **All such items will be confiscated and returned at the end of the camper's session(s).**

CAMP JORDAN IS NOT RESPONSIBLE FOR ANY LOST OR DAMAGED PERSONAL ITEMS.

PETS are not allowed at Camp Jordan under any circumstances.

SOME HELPFUL SUGGESTIONS:

Heighten your child's interest by pointing out some of the exciting things you remember about your camping experiences. Be sure to be positive about how you were able to handle being away from your mom and dad.

We are very pleased that your child will be spending a little or a lot of the summer with us at beautiful Camp Jordan. Call us at the Camp Jordan Office at (207) 941-2815 year-round with any questions or concerns.
