My family can contribute the following toward the above program selected:

(Please note that incremental payments can be made until May 1, 2012.)

\$150 _____ \$200 _____ \$300 _____ \$400 _____ Other _____

Please briefly describe why the full tuition is not feasible for your family to contribute:

Scholarship applications can be submitted to the Bangor Y from the date camp registration begins until the week before the camp session you are requesting. You will be notified of the status of your application by June 1. The Bangor Y Camp Jordan will be awarding scholarships on two criteria: the timeliness of application, and campers who have participated in Bangor Y Camp Jordan fundraising opportunities. After June 1, 2012 no changes may be made to your camper's registration except for adding sessions.

The Bangor Y provides financial assistance based on income and need. Special circumstances such as excessive medical expenses, unemployment, etc. may inhibit the family's ability to pay a full fee. I certify that my family cannot afford full tuition for the requested Camp Jordan program this summer.

I certify that all the information provided is true and that I am responsible to notify the Bangor Y of any changes of family or financial status immediately should they occur.
