

Welcome to Our Bangor Y On-line Registration Page

We are happy to offer this benefit. Bangor Y Members and Participants may register and pay online (if program requires payment) for most programs without having to visit the Bangor Y Welcome Center until you attend a program or use the facility. We recommend you read these instructions completely before beginning the registration process. Here's how:

1. Click on the highlighted link below.
 2. Select Branch: (10) YMCA and YWCA of Greater Bangor (always)
 3. Select Site: All Sites
 4. Select the Department of the program you would like to register for.
 5. Select the Program you would like to register for. Some Bangor Y program may not allow on-line registration. Child Care, Camps and Swim Team and others do not allow on-line registration. Please visit our Bangor Y Welcome Center to register.
 6. Click on the Session you would like to attend then next.
 7. Choose Option 1, 2 or 3 to find your information in the Bangor Y data system.
Hints: A registered email address is an email address that was given to the Bangor Y Welcome Center for entry into the system. Member ID# is the number on your Bangor Y Membership card.
- If you experience difficulty locating your information, please call the Bangor Y Welcome Center at 941-2815 or 941-2808. Outdated address information or incorrect spelling of your name may effect your ability to register on line. Welcome Center staff can check and possibly correct your information. Although the Welcome Center Clerk cannot correct all on-line registration problems immediately, they may be able to update your information so you can try again or report the information to the administrator.
8. Verify your program session. Family members must choose the family member who is registering for this program (only one may register at a time).
 9. Verify information and choose Cancel, Register for More Programs or Check Out Now. Be sure to verify program cost.
 10. Provide payment information to pay for the program. Note that programs with a future balance due date will not allow you to complete the registration without scheduling your payment balance.
 11. Print the confirmation screen for your records and to provide proof of registration.

Thank you for being a part of our Bangor Y! If you experience difficulty registering on line, please report the problem to our Welcome Center staff at 207-941-2808 or 207-941-2815. Although the Welcome Center Clerk cannot correct on-line registration problems immediately, they will report the information to the administrator.
