Please see website or mobile app for special events impacting the regular pool schedule.

Pool temperature is maintained at 79-81°F.

1 Length = 25 Yards / 66 Length = 1 Swimmer's Mile.

SWIM LESSONS & SWIM TEAM: during this time, all lanes are to be used for YMCA programs. No lanes are available during swim lessons.

FAMILY SWIM: designated swim time for families and recreational swimming. During Family Swim, every child under 9 must be accompanied in the water at all times by a person 16 years of age or older unless they pass the deep water swim test. If they pass the deep water swim test, the child can then go into the water on their own as long as a parent is in on the pool deck. Unless otherwise noted, there are NO lanes specifically reserved for lap swimmers. Flotation Devices: For the safety of the participants we only allow Coast Guard approved PFD's (lifejackets). Devices with foam inserts or inflatables are NOT permitted.

Unless otherwise indicated, the pool will close 30 minutes prior to the building closing.

For any questions, please contact the Aquatics Department at 941-2808 or at Kwakana@bangory.org
