Preschool at the Y Policy Handbook

Revised August 2021
Hello Parents, Guardians and Friends,

It is our absolute pleasure to welcome you and your family to The Bangor Region YMCA Preschool at the Y. We are grateful for your participation in our program and look forward to partnering your family.

The Bangor Region YMCA Preschool Program is committed to Youth Development, Healthy Living, and Social Responsibility. We have made it our mission to make a positive impact on every child in our program. We fulfill our commitment everyday through healthy snacks, outdoor activity, swim lessons, positive adult and peer interactions, learning centers and our caring and educated Teachers!

Our program encourages your child’s total development. Through teacher and self – directed activities your child will learn new skills, grow intellectually, expand creatively and mature socially. We teach our core values of Honesty, Respect, Caring and Responsibility in everything that we do.

Should you have any questions, concerns or comments throughout your experience in our program, please feel free to contact Beth Seger, Preschool Manager at 941-2808 ext. 317 or by email, bseger@bangorY.org or Kelli Plourde, Assistant Preschool Manager, kplourde@bangorY.org, 207-941-2808 ext. 340.

Thank you for choosing The Bangor Region YMCA Preschool at the Y Program!

Beth Seger  Kelli Plourde

Introduction to the YMCA

Mission Statement
The Bangor Region YMCA is a community leader in supporting children, adults, and families in their lifelong quest for physical, emotional, and social wellness.

Preschool at the Y
Our Bangor Region YMCA Preschool at the Y Program is licensed by the State of Maine, for children ages 0 to 12 years of age. We provide care for children ages 18 months to 5 years old. We want our families and our staff to be partners, working together in the best interest of the child.

We welcome you and your child to our program and to our YMCA. If you have not received a program guide outlining all the programs and services we offer to our community, please request one from our Welcome Center.

We believe the most important and influential people in children’s lives are their parents/guardians. Our goal is to utilize that influence by building a relationship of mutual trust and support with parents/guardians. Using open communication, we work with parents and guardians to create the best possible care for each child. Please feel free to talk with our teaching staff and program managers at any time. Open communication about each child helps provide quality care.

Program Goals
• To support working parents/guardians with (part and full time) childcare that is safe, affordable, and fun.
• To provide quality childcare service to outlying communities (when needed and feasible) not limited specifically to the Bangor-Brewer area.
• To provide quality experiences, companionship, activities, supervision, and guidance for the child in a safe and nurturing environment.
• To provide opportunities for the child to develop physically, emotionally, socially, and intellectually.
• To help children develop positive attitudes and character traits.
• To help children develop self-confidence and independence.
• To provide an atmosphere in which children can learn to share and be a supportive member of a group or team.
• To help children make friends and get along with others.
• To provide children with choices.
• To offer a variety of activities that meets the interests and needs of children.

Through participation in Bangor Region YMCA programs, children will gain:
• Positive peer interaction
• Interaction with positive adult role models
• Learn or improve self-help skills, which lead to improved self-esteem.
• To provide a planned program of developmentally appropriate activities.
• To employ qualified, experienced, and caring staff.
• To provide ongoing staff training and development.
• To provide ongoing program monitoring and evaluation.
Security System
To ensure the safety of the children in our Youth Development programs, we use an Access Control System. Each family receives one key FOB at no charge. You have the option to rent up to two additional FOBs for your family for $15 each at the Welcome Center. Once the additional FOB is paid for, please allow 3–4 business days for it to be issued. If your FOB has been lost or stolen, please notify the Program Manager as soon as possible. A replacement FOB can be purchased at the Welcome Center. Please note that ALL FOBs must be returned to the program manager when your child leaves the Preschool at the Y Program.

Quality Rating System
“Quality for ME” is a voluntary system for licensed childcare providers to have their program quality assessed on a 4 step rating scale. Expectations at each step must be met before achieving a higher level. Every step is an important quality measure based on the following criteria:
- Licensing history
- Learning environment (daily schedule, activities planned, etc.)
- Program evaluations (looking at strengths and weaknesses)
- Staff development (training opportunities for staff)
- Administrative policies and procedures (holiday closings, illnesses, etc.)
- Family involvement (welcoming parents/guardians into the classrooms)
- Community resources (where to find other services to help families)
- Child observations (watching for children's interests and skills)

The Bangor Region YMCA Youth Development Center has achieved a Step 1 Ranking. This means that our programs exceed standards as defined by licensing standards.

Confidentiality
We believe that our parents/guardians, children, and staff deserve the right to privacy. It is our goal to represent the YMCA mission and core values. Absolutely no information regarding a present or former individual child, family, student or employee is discussed by staff with anyone outside of our Youth Development Team or posted online. Photos will not be taken of children in our care unless it is for programming purposes. Parent/guardian permission is required. Please note parents and guardians are not permitted to take photos or videos of any children in our program.

General Information
Days and Hours
Childcare is available from 6:30 am to 6:00 pm, Monday through Friday. We are not able to accommodate hours outside of this time frame. There is a late fee of $1 per minute for each minute a child is in care past 6:00 pm.

Cost Per Week
Fireflies Classroom (ages 18 months – 2.5 years)
- Full Time - $231
- Mon/Wed/Fri - $173
- Tues/Thurs - $139

Ladybugs Classroom (ages 2.5–3.5 years)
- Full Time - $202
- Mon/Wed/Fri - $148
- Tues/Thurs - $116
THE BANGOR REGION YMCA

Caterpillars Classroom (ages 3-4 years)
- Full Time - $197
- Mon/Wed/Fri - $139
- Tues/Thurs - $106

Butterflies Classroom (ages 4-5 years)
- Full Time - $183
- Mon/Wed/Fri - $132
- Tues/Thurs - $102

Multi-child and Military Discounts are available.

Holidays and Closings
Preschool is closed to observe the following holidays:
- New Year’s Day
- Martin Luther King Jr. Day
- Presidents’ Day
- Memorial Day
- Independence Day (4th of July)
- Labor Day
- Indigenous Peoples’ Day
- Veterans Day (If Veterans Day falls on a weekend we will be closed either the Friday before or the Monday after)
- Thanksgiving
- Day after Thanksgiving
- Christmas Eve
- Christmas Day
- New Year’s Eve ($ At 3 pm)

There is no reduction of weekly fees assessed as a result of these holidays. It is not customary for the Youth Development programs to close due to weather. If you are unsure if we are open due to a snowstorm, please call the YMCA, check Facebook, bangorymca.org to close due to weather. If you are unsure if we are open due to a

Arrival and Departure
Children must be brought into the Center by an adult. The adult must sign their child in and out on the attendance sheet, located in each classroom.

When dropping off your child:
- Please escort your child to the classroom
- Sign in your child
- Convey messages to the staff
- Help your child unpack
- Say a nice goodbye and depart

Children will be released only to a parent, legal guardian, or those people listed on the emergency contact sheet/registration form for pick up. Photo ID is required for all parent and guardian pick-ups. Parents/Guardians must authorize the Youth Development office in writing to release their child to a person not listed on the authorization form. In the event that written notice is not possible, parents/guardians must advise by telephone as soon as possible. When the escort arrives, they will be required to submit a photo ID for verification purposes. If a parent or legal guardian arrives to pick up their child and appears to be under the influence of alcohol or drugs, the Program Manager will request the local police evaluate the parent/guardian to determine fitness to drive.

Payments for Preschool at the Y
Payment is due on the Monday BEFORE the service is given. Fees are based on enrollment, not attendance. To maintain a reserved space, your fee must be paid during the absence of a child due to illness, holidays, or other reason.

Payments are automatically withdrawn from a checking or savings account, or a credit or debit card on Mondays. If the payment is returned, there is a $25 late payment fee added to your balance. You will receive an invoice, phone call, and/or email from the Bangor Region YMCA. You will be given until Wednesday the week payment is due to bring your balance current. If your balance is not paid in full by Wednesday, your child will not be allowed to attend child program until full payment is received. You will also be responsible to pay the next week of childcare at that time. We are unable to hold spots for accounts in arrears. If your child is held from attending due to lack of payment for one week, we will then have to open up their spot to another child on our waiting list.

Our Preschool at the Y Program accepts families who receive Aspire, Transitional Care, and the Subsidy program. If you participate in one of these programs, a copy of your award or coverage letter needs to be provided before your child’s first day in program. If we have not received a copy before your child’s start date you will be billed directly for each week of care until the letter is received.

If you have a full time subsidy award your child needs to be in program for a minimum of 30 hours per week. If you have a part time subsidy award your child needs to be in program for a minimum of 20 hours per week. The subsidy program will not pay the full awarded amount if your child does not attend for the minimum required hours. If your child will not be coming in on a regularly scheduled day, please call their teacher to let them know. If you are unable to ensure your child attends the minimum required hours, they will be removed from our Preschool at the Y program.

Enrollment Procedure and Forms
Preschool at the Y Enrollment Procedure
The Preschool at the Y enrollment process for new participants includes:
- A one-time visit with a parent/guardian, child, and Program Manager. The visit will acquaint the parent/guardian and child with the teachers, kids, daily routine, and the facility. The best time to visit is 9:00 – 11:00 am or 3:00 – 4:30 pm. Additional visits may be scheduled as deemed necessary by parents/guardians and the Program Manager (until the child feels secure, comfortable, and at home in the new setting).
- Immunization Record*
- Physician’s Consent Form
- Completed YMCA Childcare Registration Form
- Payment Contract
- Emergency Information

If there are custody arrangements in place for a child, the custodial parent/guardian is requested to make those arrangements known to the Preschool staff at the time of enrollment. If any relevant court orders are in effect, a copy of the court order(s) will need to be provided.
We cannot withhold a child from a parent, legal guardian or authorized adult without valid court documentation that specifically outlines the arrangements.

**Please note: A copy of current immunizations is required upon enrollment. If your child cannot be vaccinated due to medical reason, licensing requires a written document from your child’s physician stating this upon enrollment is required.

**Clothing**

Exploration and play are essential to a child’s healthy development. Children should dress in comfortable play clothes that are weather appropriate. Children often soil their clothes when eating, playing, and participating in program activities.

- A spare set of clothes should be sent each day or left in your child’s cubby.
- Please label all clothing with your child’s name.
- We strongly encourage shoes that support active play.
- If a child does not have extra clothes and diapers and wipes (if applicable), the parent or guardian will be notified to bring extra, or the child will be sent home.
- If your child is potty training they will need 3 sets of extra clothing in case of multiple accidents.

Please ensure that your child is appropriately dressed for program activities and weather.

**Program Structure**

**Ratios**

Our staff to child ratio for the Bangor Region YMCA Preschool is as follows per State Licensing Requirements:

- Butterflies (ages 4-5 yrs) 1:10
- Caterpillars (ages 3-4 yrs) 1:10
- Ladybugs (ages 2.5-3.5 yrs) 1:7
- Fireflies (ages 18 months – 2.5 years) 1:5

**Transitions**

The transition process between classrooms depends on three criteria; all of which will be reviewed by the childcare staff and parents/guardians based on individual circumstances:

1. Availability
2. Age
3. A child’s personal development

A child must be potty trained before moving into the Butterflies classroom. That is, a child must be able to recognize the need to use the bathroom and go accordingly. They must be able to use the bathroom without assistance from an adult.

The scheduled transition from one classroom into another will take place over a minimum of one business week. During the process, parent(s)/guardian(s) and classroom teachers of the respective programs will meet to discuss the child’s transition schedule, express ideas and thoughts, review the new program and collect a transition packet which contains:

1. A letter from the new classroom teacher
2. A daily schedule for the new program
3. Any other program specific information regarding the child’s new environment

**Development**

All staff work cohesively to prepare a child for their graduation into the next learning environment. To provide a child with the best possible foundation, each room implements a strong curriculum which includes growth in social, emotional, physical, and cognitive development. Each classroom has specific development recommendations that need to be met before a child is able to transition. If there are any concerns with a child’s development or special needs, a meeting with the Program Managers and the parent(s)/guardian(s) will be scheduled to discuss how to create a successful transition.

**Availability**

Children will transition to the next program when they meet the developmental guidelines and there is availability. In the event that there is no availability, the next opening will be reserved for that child.

**Quiet Rest Time**

The State of Maine licensing rules and regulations require each program in our center to observe a rest time. Each program has a daily schedule that specifies the rules of quiet time and the length. This gives the children an opportunity to rest their bodies. Sleep is not required. Children sleep as their body requires. It is the responsibility of parents/guardians to take rest items home weekly to be laundered.

**Toys from Home**

We understand that children like to bring their favorite toys from home to show their friends. However, toys may become lost, broken, stolen, or may not be appropriate for a classroom setting. Please do not allow your child to bring in anything that has significant emotional or monetary value. The Bangor Region YMCA cannot be held responsible for lost, broken or stolen items. Each classroom has its own rules regarding toys from home. Please speak to your child’s teacher for details.
Curriculum
We offer a secure and stimulating environment that allows children to develop imagination and share positive experiences with peers and adults. Our thoughtfully designed activities and play areas encourage children to explore and discover the world around them. Through this process, children develop self-help skills as well as a foundation for enjoyable learning throughout life. We use Creative Curriculum as a framework for authentic assessment. We plan activities and develop individual goals for children in order to ensure that all children have meaningful opportunities for learning.

Additional Goals for children’s development and learning:
• To explore and discover the world at an individual pace, with the support and guidance of responsive adults
• To involve parents/guardians as their child’s most important teachers
• To build relationships with other children and adults
• To promote a healthy image of self

Experiences:
• Children have access to a variety of activities; they spend most of their time playing and working with materials and other children.
• Children have the opportunity to play outside every day weather permitting.
• Families are invited and encouraged to share their special talents, interests, and professions with the group.
• Opportunities exist for meaningful conversations throughout the day, sharing life experiences.
• Parent/Guardian teacher conferences and conversations between teachers and parents/guardians support the development of goals for children.
• Teachers act as guides and facilitators for children as they gain skills. Teachers observe children and complete an assessment twice a year. They use this information, in addition to parent/guardian input, to create meaningful experiences and programming for children.
• Program Managers provide supervision to all teaching staff. Leadership roles also promote quality programming for children, and support the continuing professional development of staff.

In addition to the Creative Curriculum, the Bangor Region YMCA also uses the following Preschool resources to support curriculum development:
• Maine’s Early Learning Development Standards (MELDS)
• Infant Toddler Maine’s Early Learning Development Standards (ITMELDS)
• HEPA Standards (Healthy Eating and Physical Activity)
• Conscious Discipline

Assessment
The Preschool Program uses the Creative Curriculum continuum assessment twice a year to monitor and track the growth of each child in the following areas of development: Cognitive, Language, Literacy, Physical, Mathematics, and Social/Emotional. The results of these assessments will be shared at our bi-annual Parent/Teacher Conferences. Our teachers use the assessment data as a guide to create intentional lesson plans that address needs of the group as well as individual needs.

Classroom Communication
Our Preschool Program uses the brightwheel app for daily communication. This app allows parents/guardians to see pictures, get updates, view the weekly curriculum, and directly communicate with teachers. Parents/guardians will receive an invitation to join brightwheel once their child is enrolled in program.

Parents/Guardians involvement is extremely important to our children as well as our programs. Parent/Guardian volunteers and visitors are welcome. We have implemented several ways in which communication flows freely but still caters to everyone’s busy lifestyles.
• Artwork will be sent home
• Teachers are always available to speak with you about any concerns you may be having regarding your child

We encourage parents and guardians to let us know if you have any questions, concerns, ideas or just want to chat about your child.

Child Development and a Safe Environment
Our Teachers model our Core Values of Caring, Respect, Honesty and Responsibility in everything they do. They set realistic expectations and goals, help build problem solving skills, and work with both children and parents/guardians to ensure the needs of all children are met. We are committed to providing a safe, nurturing, and fun environment.

Each age group we serve has different developmental milestones. Some of the typical goals and achievements of social emotional development in our program are as follows:

Ages 0 to 3 years
• Learning language and communication skills and advance from using single words to phrases to complete sentences
• Begin to interact with peers through imitation
• Think concretely, retain information, and process information primarily through their five senses – by seeing, touching, tasting, smelling, and hearing
• Imitate the language and behaviors of trusted adults

Ages 3–5 years
• Start to show awareness of their own feelings and others’ feelings
• Begin to separate more easily from parents
• Begin to show empathy to other children (respond to their feelings)
• Share toys, taking turns with help
• Be more even-tempered and cooperative with parents
• May show attachment to one friend
• Develop friendships
• Express more awareness of other people’s feelings
• Get better at sharing and taking runs with other children
• Listen while others are speaking
We know when a child shows unusual behavior for their age it can be a means to fulfill a need. They may display physical aggression, i.e. biting, kicking, hitting, scratching, pushing, throwing, verbal outburst (i.e. cursing, screaming, yelling), and/or have difficulty following directions (i.e. not responding to peer or teacher request, running away from their teacher). In most cases, these situations are temporary and are resolved quickly. Some examples of developmentally appropriate behavior include:

Ages 0 to 3 years
- Begin to test independence and explore limits, but still seek closeness to primary caregiver
- Physically demonstrate feelings, such as kissing and hugging to show love and hitting to show anger
- Master the idea of being happy, sad, or angry, but will generally choose to express emotions physically rather than verbally

In the event that these situations increase, become part of a child’s daily routine, and/or jeopardize the safety of themselves, peers and/or teachers, the Preschool Manager will request a meeting with the parents/guardians and lead teacher. This meeting will be a means to work together and develop an Individualized Success Plan for the child to help ensure their success. Plans may include but are not limited to:
- Sticker/Reward chart
- Individualized teaching practices
- Specialized choices throughout the day
- Change in attendance
- Access to outside resources

If a child has an unsafe body and/or choices, 3 times in one day they will be sent home for the day. These choices include but are not limited to:
- Running away from teachers
- Throwing toys, chairs, etc.
- Hitting, kicking, pinching, grabbing, pushing, and/or biting peers or teachers.
- Jumping from tables, chairs, shelves
- Knocking over tables, chairs, shelves
- Climbing on shelves/tables
- The use of profanity and/or inappropriate language

Our Teachers will implement the Individualized Success Plan and record their observations. In 2 weeks the Preschool Manager, Assistant Manager, Lead Teacher, and Parents/Guardians will have a follow up meeting to assess and discuss the effectiveness of the Individualized Success Plan. At the end of the 2 week period, if sufficient improvement has not been made or the child is still unable to participate in the program successfully and safely, parents/guardians will be asked to seek out assistance from a physician for a referral to an early childhood support agency or other professionals. Parents/Guardians will then share sufficient information and cooperate with the Preschool Manager, Assistant Manager, and Lead Teacher to make changes to the Individualized Success Plan that include all reasonable suggestions of physicians, agencies, and professionals that do not fundamentally alter our program. The teachers will implement the Individualized Success Plan and record their observations.

If use of the Individualized Success Plan does not increase the child’s success or improve the child’s ability to participate successfully and safely, the Preschool Manager, Assistant Manager, Lead Teacher, Parents/Guardians, and Experts will cooperate to revise the plan. If all reasonable recommendations have been followed without sufficient results and no further recommendations for reasonable modifications are suggested, or if the child’s parents/guardians fail to cooperate with the Bangor Region YMCA staff in seeking outside help and creating, implementing, and modifying the Individualized Success Plan, the Preschool Manager will make the recommendation that the family seek an alternate appropriate placement and the child will be dis-enrolled from the program.

It is our hope to work with all children and families collaboratively to avoid this situation, but we know that our program will not meet the needs of all children and families.

No child will be physically restrained unless it is necessary to protect the health and safety of the child and others.

Potty Training
We believe that potty training should be an empowering endeavor for each child. We understand that it can be a lengthy process at times and that can be frustrating for children as well as parents/guardians. We feel that it is our position to support the child and the family routine, using encouragement and keeping in constant communication with progress updates. Maine State Licensing prohibits our staff from potty training a child if the child is not showing signs of readiness. Readiness includes a desire to use the toilet, staying dry for a significant portion of the day, staying dry during naptime, and telling a teacher they need to use the bathroom. We cannot force a child to use the bathroom.

Parents/Guardians are asked to supply the potty items necessary for their child’s level of development (wipes, diapers, pull ups, underwear and 3 full changes of clothes including socks and shoes).

Swim Class
We provide swim lessons twice a week for our Fireflies, Ladybugs, Caterpillars, and Butterflies classrooms. Parents/guardians are always welcome to watch or engage in swim class. Children need a bathing suit, towel, and swim diaper to participate in swim. Please label all bathing suits and towels. Children who are not potty trained need to be in a swim diaper for swim class. This includes both urination and bowel movements. Staff will provide support in getting dressed and undressed. We ask all clothing be labeled to help prevent mix-ups.

Children who are exhibiting unsafe behavior on the pool dock or in the pool will be asked to sit out for swim class. Parents, Guardians, and family members watching swim are not permitted to take photos or videos of their child while swimming. This ensures that other children are not accidentally photographed or filmed.
**Water Safety Rules**

When children are active in water play or are engaged in our swim program, all staff and children will adhere to the following:

1. Only Coast Guard approved PFDs are permitted.
2. Walk at all times in the pool area. No walking in the gutter or on the benches.
3. All jumping must be done from the gutter facing the pool. Diving is only permitted at depths 9 feet or greater. Twists, flips, and partner jumps are not permitted.
4. No rough play.
5. Food, gum, or beverages (other than water) are prohibited in the pool area. Glass containers are prohibited.
6. Prolonged underwater breath-holding is prohibited in this facility. This practice can lead to Shallow Water Blackout.
7. All personal training, coaching, and swim instruction are to be scheduled through the YMCA. Outside instruction is prohibited.
8. Patrons with open cuts, blisters, inflamed eyes, contagious skin rashes, or any communicable disease are not permitted in the pool. Anyone who has or had diarrhea in the past two days should refrain from using the pool.
9. Spitting, nose blowing, urinating, and depositing foreign matter into the pool is prohibited.
10. The pool may be closed as necessary for the health, welfare, and safety of the patrons. The pool will be cleared during thunderstorms and will remain closed for 30 minutes after the last thunder is heard.
11. Animals are not permitted anywhere in the pools.
12. The lifeguards have final say. Please respect their decisions.

The pool/water area shall:

1. Have a lifeguard on duty at all times. Lifeguard certification or water safety training certificate is posted.
2. Be free of toys, clutter and debris.
3. Have sufficient clarity. The bottom of the pool/water is clearly visible at the deepest part.
4. Have all lifesaving equipment conspicuously and conveniently on hand.
5. Have a first aid kit readily available.
6. Have an emergency plan readily available.
7. Legible water safety rules posted.
8. Telephone in the pool area is available and in working order.

---

**Nutrition**

**Morning snack** is served at 9:00 am in our Preschool at the Y Program.

**Cold lunch** is served from 11:00 am – 12:00 pm for our Fireflies class, 11:30 am – 12:00 pm for our Ladybugs and Caterpillars classes, and 12:00 – 12:30 pm for our Butterflies class. You must pack your child a cold lunch. Our Preschool at the Y Program does not provide lunches.

**Afternoon snack** is served between 2:30 pm – 3:30 pm. Snack consists of water, a light fare, and at least a half cup of fruits or veggies.

**Healthy snacks are provided by the YMCA, please refrain from sending any fried foods with your children.**

We do not permit the use of sippy cups or bottles in our Preschool at the Y Program. We provide small plastic cups for drinking to help teach dexterity and balance.

Water is always available to your children.

While at the Bangor Region YMCA, children are not allowed to consume energy drinks, soda or any juice less than 100% juice.

If your child has an allergy to food(s), please inform the staff. We will do our best to accommodate our meals and snacks to ensure all children’s safety.

**Your child’s lunch must be free of peanuts and peanut products and any kind of nuts.**

---

**Physical Activity**

We strive to provide at least 60 minutes of active play to all children each day. This is offered through inside play as well as playground time. We understand the importance of physical activity in child development and give these opportunities several times throughout each day.

**If your child is not feeling well enough to go outside, please do not bring them to our Preschool at the Y Program.**

Unfortunately, our teacher/child ratio does not allow us to stay inside with an ill child while the remainder of the class plays outside.

Parents must remain with siblings during pick up and drop off. Siblings may not be left in the care of Y staff if not enrolled in the program they are being left in.

**Inclement Weather**

The amount of time outside is determined by the weather conditions. When the weather is extremely hot (over 95 degrees) or cold (wind chill 20 degrees) children will not go outside. If weather permits, playground time is preferred. We utilize time in the studio if outside play is not an option.

We play outside almost every day, even if it is for a short time. Please dress your child appropriately:

- Sun hats and sunscreen are recommended for very sunny days.
- You will need to provide your child with non-aerosol sunscreen.
- In the winter, snowsuits, boots, hats and mittens are essential.
- Clothing often gets wet so parents/guardians should provide an extra set of clothes.
- Label all clothing items to help prevent mix-ups.
Injury

Accident and Emergency Procedures
The Bangor Region YMCA Preschool staff members are all infant, child and adult CPR and First Aid certified. Any accident requiring first aid treatment will be reported by staff on an accident report. Parents/Guardians are asked to read, sign, and return the report to the teacher. A copy of the report is filed in the child’s folder. Minor accidents such as small cuts, scrapes, skinned knees, etc. are cleaned and covered with a bandage. Bumps and bruises are treated with ice packs. Parents/Guardians are notified immediately of accidents that may require a doctor’s care. If an accident occurs that requires immediate medical care, the child will be taken to the nearest health care facility in the company of a staff member. The emergency procedure form in the registration packet authorizes the Youth Development Team to obtain medical care when your child must be treated in your absence.

Accident Insurance
The Bangor Region YMCA liability insurance does not extend to accidents occurred by children on the premises. Parents/Guardians should take steps to ensure they have adequate means to provide for medical expenses arising from any injury sustained while in care.

Illness
The Youth Development Center illness policy adheres to the Department of Health and Human Services (DHHS) and focuses on both the needs and the behavior of the ill child as well as the ability of the staff to meet the child’s needs without compromising the care of other children. We understand and appreciate the needs of working and student parents/guardians, yet it is essential that children at the Center are protected from exposure to illness. Children want care from their parents/guardians in the comfort of their own home when they are not feeling well. When illness develops, the parents/guardians will be notified. If we are unable to reach you, we will call your emergency contacts.

Fever Definition
Fever is defined as having a temperature of 100.4°F or higher. Our staff will take an initial fever reading and then re-check in 30 minutes. This helps to give an accurate reading. Children who have a fever of 100.4 degrees or higher will be sent home and cannot return until they have been fever free for 24 hours without the use of fever reducing medication.

Symptoms requiring your child to stay home:
- Fever that is 100.4 degrees or higher
- Vomiting: 2 or more times in a 24 hour period
- Diarrhea: 2 or more times in a 24 hours period
- Children receiving antibiotics must have 24 hours of medication in their system prior to returning to childcare
- Your child’s illnesses may require a doctor’s note to return to childcare
- Any signs of COVID-19

Symptoms requiring your child to be sent home:
- Fever of 100.4 degrees or higher
- Vomiting
- Fever AND sore throat, rash, vomiting, diarrhea, earache, irritability or confusion
- Diarrhea: runny, watery
- Bloody stool: blood or clots found in the stool
- Frequent scratching of body or scalp, lice, rash or any other spots that resemble childhood diseases, including ringworm
- Any illness accompanied by uncontrolled coughing, irritability, persistent crying, difficulty breathing or wheezing
- Any signs of COVID-19

A child must be well enough to participate in classroom activities. If a child isn’t well enough to participate in the program, they will be sent home. Parents/Guardians should exercise every caution and keep their children at home should unusual symptoms occur. If your child has been exposed to/has contracted a contagious disease, please report details to the Program Manager.

Children with chronic illnesses/physical ailments may continue to participate in classroom activities with Pediatrician permission.

Medication
Children requiring medication during the hours they attend the center will receive it under the conditions as described below:

Prescribed Medicine:
- Prescription must be in original container with child’s name, medicine name, dosage and frequency
- Medicine must be given to the child’s teacher at drop off
- A medication form must be completely filled out by parent/guardian
- If it is the first time your child has taken the medicine, the first dose needs to be given at home

Over The Counter (OTC) Medicine:
- OTC medicine must have a written recommendation from the child’s physician and include the physician recommended dosage and frequency
- OTC medicine must be in original container
- OTC medicine must have child’s name on it
- OTC medicine must be given to the child’s teacher at drop off
- A medication form must be completely filled out by parent/guardian
- If it is the first time your child has taken the medicine, the first dose needs to be given at home

*Please note cough drops and hard candies are not permitted.

Our Teachers will:
- Attempt to administer medication, but cannot force a child to consume medicine
- Communicate with parents/guardians about any concerns regarding the medication and/or information about the child
- Sign or initial the medication form indicating that the medication was administered
Nebulizer Treatments
Nebulizer treatments may be administered in the classroom. First time treatments need to be given at home. In the event that a first time treatment needs to be given in the classroom, we ask that the parent/guardian administer the treatment. Staff will make every attempt to administer on-going treatments to a child; however, if a child refuses treatment, the staff will contact the parent/guardian for further recommendation. Our staff cannot administer medication to a child against their will.

Blood Exposure
An exposure is defined as contact with blood or bodily fluids to which universal precautions apply such as:
- An injury to the skin that results in blood exposure (i.e. bite, scratch, chapped, abrasion).
- Mucous membranes

Communicable Disease
A communicable disease is defined as an infectious disease transmissible (as from person to person) by direct contact with affected individual or the individual in the individual’s discharges or by indirect means (as by a vector) - compare contagious disease.

We are required to inform parents/guardians of illness in our center. These policies were taken from “Managing Infectious Diseases in Childcare and Schools”, American Academy of Pediatrics and through the direct consultation of Ellen Lauer, DO, Penobscot Pediatrics.

Some of the most common illness in our center include but are not limited to:
- Pertussis (Whooping Cough)
- Strep Throat (Streptococcal disease, group A)
- Mononucleosis
- Conjunctivitis
- Hand, foot and mouth
- Ringworm
- Head Lice
- MRSA

Health Care Consultant and Responsibilities
Our Youth Development Center’s Health Consultant is Dr. Ellen Lauer of Penobscot Pediatrics. Her office phone number is 947-0147.

1. Approve Health Policies
2. Available for consultations
3. Provides information about specific medical issues
4. Provides access to other medical resources
Emergency Procedures
The Center practices monthly emergency drills. All staff are trained in emergency protocol and fire exit maps are posted in each classroom. For more information, please talk to the Program Manager.

Inclusion Policy
At the Bangor Region YMCA, we actively promote inclusive practice in order to best meet the needs of the children, families, and staff at our center. All children are welcome to attend childcare regardless of ability, need, background, culture, religion, gender or economic circumstances. Through inclusive practice, we aim to reflect our wider community and promote positive attitudes to both the similarities and differences in each other. In order to achieve this, we actively engage with children, parents/guardians, and other organizations as appropriate.

Procedures
Admissions
In order to provide an open and accessible service for all children and families, admissions are accepted on a first come, first served basis where possible. Children currently enrolled in our program have priority placing in all of our classrooms.

Valuing Diversity in Families
- Our staff regularly engages with parents/guardians to facilitate information sharing and to ensure parents/guardians are involved in planning for their child’s learning and development.
- Information sharing between staff and parents/guardians ensures a partnership approach which happens in the form of daily communications as well as scheduled meetings as required.
- Parents/Guardians and children are encouraged to contribute to various aspects of our service. For example, providing information or resources illustrating aspects of their lives, culture or community.

Accessibility and Flexibility
- An induction process is carried out for all families and children new to the service. This involves registration, information sharing about the child, the service and the exploration of policies and procedures of the service.
- Because the need of each family and child can vary, the service will respond to individual needs where possible, for example, period of induction, times of attending the center, etc.

Representation and Participation
- The curriculum, activities, books, materials, and environment are used to reflect the diversity of all children, families, and the wider community. Where possible, these will be adapted as necessary to facilitate the inclusion of all children within the daily routine and activities of the service.

Licensing
All Programs at the Bangor Region YMCA Preschool at the Y are licensed by the State of Maine. Copies of our licensing certificate are available for viewing in each classroom and Youth Development Office. A copy of the licensing rules and regulations are available in the Youth Development Office.

How to report a licensing violation
The Bangor Region YMCA Preschool at the Y Program is licensed by the State of Maine. Copies from the Fire Marshall and Maine State Licensing Childcare Division are available for your review. Should you feel the childcare program is in violation of the state requirements, you may contact the Maine Department of Health and Human Service Division of Licensing and Regulatory Services at (207) 287-9300 or 1-800-791-4080 or email dir.s.info@maine.gov.

Staffing (requirements and training)
The Preschool Manager supervises and supports the operations of both program and Staff.

Our Preschool at the Y Program is staffed by the Program Manager whose responsibility is the operation of that particular program, included but not limited to the supervision of children and staff, program planning and implementation, communication, and parents/guardian relations. The Program Managers are supported by additional staff based on the needs and size of the program.

Qualifications and training of staff- the following requirements and qualifications are established in the Rules for the licensing of childcare facilities for the state of Maine.

Director and/or Program Manager:
The Director and Program Manager shall be at least 21 years of age and meet one of the following:
- Degree in Early Childhood Education – Bachelor of Science/Bachelor of Arts.
- Degree and experience – an Associate in Arts/Associate in Science (AA/AS in Early Childhood Education and 3) years direct childhood experience; or
- AA/AS and experience – AA/AS in a related field with (18) credit hours in Early Childhood Education and (3) years direct childhood experience
- BA/BS and experience – BA/BS in related field with (18) credit hours in Early Childhood Education and (3) years direct childhood experience.
- Credential and experience – Child Development Associate (CDA) as awarded by the CDA National Credentialing Program with (5) years direct experience, or
- Experience and training – (7) years of experience and (180) hour training in healthy, safe environments, child development; observations and assessment; developmentally appropriate practice; guidance; relationships with families; individual and cultural diversity or business and professional development; childcare, early childhood education topics related to operating a childcare facility; or other subjects related to age or characteristics of children for whom care is planned.

Qualifications of Childcare Staff
- All must be at least (18) years of age to work in our Preschool at the Y Program.
- All staff shall have a high school diploma or equivalent or is attending high school or enrolled in a GED (General Education Development) preparation program.

All staff shall demonstrate the following:
- The ability and willingness to comply with all applicable laws and rules;
- The ability to provide, safe, compassionate services;
- A history of honest and lawful conduct. We require two complete background checks.
In addition, all staff will be required to obtain and maintain the following trainings:

- CPR/First Aid in infant, child and adult
- How to be a Mandated Reporter
- Child Abuse Prevention
- Bullying Prevention

Annual Training Requirements:

- Staff scheduled to work 20 hours or less per week must have 18 hours of training per year.
- Staff scheduled to work more than 20 hours per week must have 30 hours of training per year.

Supervision of Staff

Upon hire, immediate supervisors and the Program Manager will orient new staff, including volunteers, prior or during the first week of services in the following:

- Rules for the licensing of childcare facilities
- YMCA Personnel Policy Handbook
- YMCA Best Practices Handbook for Preschool at the Y Employees
- Fire drills and other emergency procedures

All current staff will show documented evidence of on-going trainings. Each staff member will be evaluated yearly on performance and will have documented evaluation on file. Volunteers and substitutes will be provided orientation to enable them to carry out their assigned responsibilities.

Child Abuse Prevention

The Bangor Region YMCA Preschool at the Y Program will make all staff and volunteers aware during annual trainings of their responsibilities as mandated reporters when there is reasonable cause to suspect abuse or neglect of a child under the age of 18. Staff and volunteers will be trained to recognize the common signs and symptoms of child maltreatment or neglect which are discussed during staff orientation and during annual training. Whenever a staff member or volunteer knows or has reasonable cause to suspect that a child is being abused or maltreated, the staff member will contact the Program Manager. The program manager will make the call to the Department of Health and Human Services (DHHS) 1–800–452–1999 within 24 hours of becoming aware of the suspected abuse and neglect. All childcare staff are mandated reporters and are able to make a report. When reports are made in good faith, reporters are immune from civil or criminal liability for the act or reporting or participating in the investigation or proceeding. (Maine State Licensing for Childcare facilities, article 21.1)

Suspected Child Abuse by Childcare Providers/Volunteers

If a staff member or volunteer is suspected of child abuse or maltreatment of a child in our care, that member or volunteer will be reported to the proper authorities for investigation. They may be suspended or given leave (with/without pay) pending investigation of the accusation. Staff or volunteer may also be removed from the classroom and given a job that does not require interaction with children. No accusation or affirmation of guilt will be made until the investigation is complete. Staff or volunteers found guilty will be summarily dismissed or relieved of their duties. The Bangor Region YMCA Youth Development Team and its staff/volunteers shall cooperate in the investigation of allegations of abuse and neglect by:

- Meeting with DHHS or law enforcement investigators and answering questions related to the investigation.
- Testifying in court when served with summons
- Providing written records related to the investigation when served with a summons
- All records are open for Child Protective Services, Department of Health and Human Services at their request

Custody Issues

Parents/Guardians are required to notify the Program Manager of any custody arrangements involving their enrolled child(ren). You must furnish documents, such as divorce decree, that states to whom your child may be released. Law enforcement officers require this information in the event an unauthorized person seeks to remove your child from our program.

Attendance/Notification of Absence

If your child has any contagious conditions please let us know, even when they occur over the weekend. Please let staff know about extended absences. After one week of unexplained absences the Preschool Manager reserves the right to terminate services and replace your spot with another child. Our main concern is the safety of your children. It is your responsibility to let us know in advance whenever your child will not be attending the program on a regularly scheduled day. You can phone this information to the Program Manager or tell your child’s teacher directly. If you child is absent more than one day without notification we will call. Consistently failing to notify us of your child’s absence may result in suspension and/or dismissal from the program.

Suspension and Dismissal Policy

The following will be considered grounds for suspension or dismissal:

1. Failure to pay for care.
2. More than 3 late pick-ups.
3. Failing to comply with policies as stated in this handbook.
4. Failing to provide essential emergency and medical information as required by the Bangor Region YMCA.
Changes/Withdrawals
In order to assure accuracy a two-week written notice is required for the following notifications:

- Change in scheduled attendance
- Intent to withdraw from our program

Payment will be taken for two weeks after written notification is received.

THE BANGOR REGION YMCA

Additional Bangor Region YMCA Programs
The Bangor Region YMCA is committed to Youth Development, Healthy Living and Social Responsibility. That’s why we offer a wide variety of programs. Check it out!

Y-Works Before and After School Care:
From K – 6th grade let our staff provides a safe and fun environment for your child before and after school! If you live in Bangor, Brewer, Holden, Dedham, Orrington, Hampden, Veazie, Glenburn, Winterport or Corinth we have a convenient site for you! We provide transportation to and from school, afternoon snack, clubs, homework support, character development, conflict resolution and more! Stop by our Welcome Center today for a brochure.

Become a Member!
Did you know that our Bangor Region YMCA offers family memberships? Having a membership gives you discounts on summer camps, youth sports, swim lessons, free land and water fitness classes and more! A family membership also provides a free Child Watch babysitting service while you work out. See the Welcome Center for more details.

Summer Camps:
Bangor Region YMCA offers 3 summer camp options! We provide a full day camp experience for youth entering Kindergarten through 8th grade at Camp G. Peirce Webber in Hampden. Sign up for 1 week or for all weeks for a summer of fun! Each week features a different theme and a wide variety of activities.

Do you have a 6th – 10th grader who loves adventure? Sign him/her up for an Adventure Day Camp! Your camper will get to experience the beauty that Maine has to offer while gaining leadership skills! There is 7 weeks to choose from and possibilities are endless. See the Welcome Center for details.

For youth ages 8–14 we have our Wilderness Center at Camp Jordan! Come stay with us for a week or weekend and enjoy a wide variety of activities and learning experiences. From swim lessons, shelter building to video making your camper is sure to enjoy activities they love and find a new interest! We have counselors from our very own state to the other side of the world who are guaranteed to help make this summer the best one yet!

Do you have a 15-17 year old who needs something to do this summer? Send him/her to Leaders in Training or Counselors in Training! Each of these specially designed programs will help give your young adult skills to excel in everything that they do. Stop by the Welcome Center for more information on any one of our summer camps.

Youth Sports
Do you have an athlete at home? Sign him/her up for our Youth Sports Program! We have programs for youth 4 years old through High School. Our focus is on the athlete, that’s why we help develop a positive self-image, foster mutual respect, and more, all while having fun! Want more information? Ask the Welcome Center!

Swim Lessons
We offer swim lessons for youth of all ages. No matter what level swimmer you have, we have a class to meet his/her needs! From Parent & Me classes to the Barracuda Swim Team we can enhance the swimming ability of any swimmer! See the Welcome Center for details.

Family Sunday Funday
Need something fun to do on a Sunday? Come check out our Family Sunday Funday each month during the school year! Enjoy 3 hours on our Dead River Pool Inflatable; it’s a great way to spend an afternoon!

Teen Center
Our Teen Center is for youth ages 12 – 18 years old and focuses on Psychosocial Wellbeing, Community and Relationships, Community Service, Educational Engagement, and Safe Spaces. The Teen Center offers numerous programs supporting youth with a variety of needs, providing the necessary relationships, opportunities, and environment to foster mental health hygiene while providing psychological support for youth living with risk factors. Some of the programs offered are Drop in hours for middle school and high schoolers, Interact Leaders Club, Middle School Leaders Club, Youth and Government and much more! For more information, email Josh Wescoat, Teen Center Coordinator, at jwescoat@bangorY.org.
Preschool Policy Handbook : Revised August 2021

The Bangor Region YMCA Parent/Guardian Policy

I verify that I have been given a copy of the Preschool at the Y Policy Handbook.

I understand and accept full responsibility for reading this policy completely and asking for clarification related to sections that I may not fully understand or about which I have questions.

I will address all comments and questions concerning the Preschool at the Y Policy Handbook directly to the Preschool Manager, Assistant Preschool Manager, and/or Chief Operations Program Officer.

I further understand that this Preschool at the Y Policy Handbook can be changed in parts or in its entirety. Any changes will replace previous Preschool Policies.

Parents/guardians will be notified of any approved changes in the Preschool Policies.

Parent/Guardian Signature: ___________________________________________ Date: ____________________________

Print Name: ____________________________________________________________

Please sign and return to the Preschool Manager.
