THE BANGOR REGION YMCA BARRACUDA SWIM TEAM

2022 SUMMER SEASON BEGINS MAY 23RD. REGISTER TODAY!

OUR MISSION

The Bangor Region YMCA Barracuda Swim Team will create a culture of pride and excellence by:

1. Creating a positive, fun, and team-oriented environment
2. Focusing on education of swimming technique and fundamentals
3. Developing team success at all levels of competition
4. Maintaining a high level of training and athlete development

ABOUT THE TEAM

The Barracuda Swim Team is The Bangor Region YMCA's year-round competitive swimming program. **We welcome children ages 6-18 who are interested in challenging themselves in the areas of mental and physical training and are dedicated to the Olympic Sport of Competitive Swimming.**

Our Swim Team trains in The Bangor Region YMCA's Aloupis Pool (25-yard, 6 lanes) and competes throughout the state of Maine in two different seasons: Winter and Summer. Our Winter Season (September to March) competes in 25-yard short course pools, while our Summer Season (May – July) gives swimmers the opportunity to compete in 50-meter long course pools in addition to short course meets. We understand that some families are unable to make the year-round commitment to our Swim Team program, which is why we hold separate registrations for each season. However, we strongly encourage swimmers to participate throughout the year to help improve their techniques and times.

PRACTICE GROUPS

At The Bangor Region YMCA, we understand that swimmers at different age groups and swim levels will have different needs. This is why our Swim Team practices are divided into 4 different levels and also why **it is important for swimmers to attend the correct practice times for the group they are enrolled in.** With each level advancement comes an increased practice requirement and team commitment.

GREEN LEVEL

Tuesday/Thursday: 4:30 - 5:15pm

Youth in this entry level will begin to establish their long-term development model with a focus on building a strong foundation of competitive swimming. This will include the four competitive strokes (freestyle, backstroke, breaststroke, butterfly), diving and racing starts, flip turns and open turns, stroke technique, and team spirit. Cost for Green Level covers 45-minute practices 2 days a week during the summer season.

PRE-REQUISITES: Youth must be able to swim 25 yards of both freestyle and backstroke and be familiar with breaststroke and butterfly. Swimmers must also have excellent listening skills.

BRONZE LEVEL

Monday/Wednesday/Friday: 4:30 - 5:30pm

Swimmers in this level must be legal in all four competitive strokes and show proficiency in both starts and turns. Long-term development will focus on stroke development, understanding the pace clock, and set development. Swimmers are expected to showcase the YMCA's core values (caring, honesty, respect, responsibility) at all times and will work on establishing seasonal goals. Cost for Bronze Level covers 1-hour practices 3 days a week during the summer season.

SILVER LEVEL

Monday - Thursday: 3:00 - 4:30pm

Swimmers in this level will continue their long-term development with a shift from stroke development to endurance training. Athletes will gain an understanding of racing strategy and proper nutrition and will begin to establish and work towards long-term goals. Cost for Silver Level covers 1.5-hour practices 4 days a week during the summer season.

GOLD LEVEL

Monday - Friday, 3:00-4:30pm

Athletes in this level have well established long-term development principles and have decided to make a full time commitment to the sport of swimming. These swimmers are training to compete at the highest levels of competition in both YMCA and USA Swimming. Cost for Gold Level covers 1.5-hour practices 5 days a week during the summer season.

Additional information, including **MEET SCHEDULE** and **SIGN UP** can be found on our website.
